

PROJECT EXPO

About: Everything begins with an idea but it's not only about ideas, it's about making ideas happen. **ROBOVEDA'22** presents **PROJECT-EXPO**, a technical event as part of **Pradarshan** in which the participants prepare their projects and demonstrate to compete with the best. The value of an idea lies in the use of it. So gear up and get ready to bring the best out of you!

Eligibility: Only UG students and Lower Grades are allowed to participate.

Rules:

- There will be only one round. It will be conducted between 1-4 December-2022.
- The team can comprise of a minimum of 1 and a maximum of 4 members.
- The event will be conducted in the Sreenidhi college itself.
- All domains are accepted.
- Prototype is mandatory for both hardware and software domain projects.
- Each team will be given a time span of at most 10 minutes and they need to present their idea through a PowerPoint Presentation.
- The Powerpoint Presentation should be of 10 slides and its mandatory to use the template which will be provided on the website.
- No plagiarism is allowed.

Scoring:

- The jury will be decided by team **ROBOVEDA**. Based on the participant performance scores will be allocated by the jury.
- Participants are ranked by score. If two or more participants achieve the same score, then team **ROBOVEDA** will decide based on the uniqueness of the project.

IDEATHON

About: Ideathon is conducted as part of Pradarshan at RoboVeda'22 to bring out many great ideas and provide an opportunity to take the idea into the next step. It is a platform to pitch your ideas.
